- male  
 female  
 other

**[V23] Age:**

\_\_\_\_\_ years

**[V24] Which of the following best describes your current situation?**

- secondary school student  
 university student  
 employed  
 unemployed  
 retired  
 other: \_\_\_\_\_

**[V25] How often are you in contact with other people at work?**

I am not in direct contact with other people

I am in daily contact with a large number of

How often are you in contact with other people at work?      people

**[V26] Please choose your level of education:**

unfinished primary school  
primary school  
secondary school (vocational/proffesional/technical)  
high-school  
post-secondary degree  
university degree  
postgraduate specialization  
master of science  
doctorate

**[V27] City of residence (please write in the name of the town or village):**

\_\_\_\_\_

**[V28] Do you have any of the following medical conditions?**

Please check all that apply.

- respiratory illnesses (e.g., asthma)  
 cardiovascular illnesses (e.g., hypertension)  
 diabetes  
 cancer  
 other chronic illnesses: \_\_\_\_\_  
 I have none of the above medical conditions

**[V29] Do you smoke?**

- yes  
 no

**[V30] Do you have daily contact with any of the following groups?**

Please check all that apply.

- children  
 elderly  
 people with chronic illnesses  
 I do not have daily contact with any of those groups

**[V31] Did you travel abroad in the past month?**

- yes, to a country with high infection rate  
 yes, to a country with low infection rate or no COVID-19 infections  
 no

**[V32] Do you know anyone who got infected or exhibited symptoms of COVID-19?**

- yes  
 no
-

**[V33] Please rate your agreement with the following statements regarding the easment of protective measures.**

	I disagree completely				I agree completely
I understand the medical reasons for easing the measures.	<input type="radio"/>				
I understand the political reasons for easing the measures.	<input type="radio"/>				
I understand the economic reasons for easing the measures.	<input type="radio"/>				
I am afraid of problems that could arise as a result of the easment.	<input type="radio"/>				
I think the measures were eased to hastily.	<input type="radio"/>				

**[V34] If you have children, are they (will they be) vaccinated in accordance with the official vaccination schedule in our country?**

- yes, they are  
 yes, they will be vaccinated in accordance to the schedule  
 no, they are not  
 no, they will not be in accordance to the schedule  
 they will not be vaccinated at all  
 I don't have children

**[V35] Would you at this time vaccinate your child in accordance to the official vaccination schedule?**

	1	2	3	4	5	6	7	
Definitely yes	<input type="radio"/>	Definitely no						

**[V36] If COVID-19 vaccine would be available, would you get vaccinated?**

	1	2	3	4	5	6	7	
Definitely yes	<input type="radio"/>	Definitely no						

**[V37] If COVID-19 vaccine would be available, would you vaccinate your child (if you had it)?**

	1	2	3	4	5	6	7	
Definitely yes	<input type="radio"/>	Definitely no						

**[V38] Would you, at this moment get vaccinated with:**

	yes	no	I don't know
Russian vaccine against the coronavirus (SARS-Cov-2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
AstraZeneca-Oxford vaccine against the coronavirus (SARS-Cov-2)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

**[V39] Would you rather get infected with the coronavirus or get vaccinated with the russian vaccine?**

- I would rather get infected  
 I would rather get vaccinated with the russian vaccine

**[V40] Would you rather get infected with the coronavirus or get vaccinated with the AstraZeneca-Oxford vaccine?**

- I would rather get infected  
 I would rather get vaccinated with the AstraZeneca-Oxford vaccine
